IP1071ND

We Protect People.

Graphene Fibre, the next generation in cut-resistant fibre technology with impact protection.

- 25% Lighter than a standard fibre cut F glove
- No blended fibre glass therefore no fibre breakdown which reduces protection and causes irritation.
- Pinky drop technology ensures that the glove follows the contours of the hand including the little finger.
- Advanced double dip nitrile which acts as a barrier against fluids.
- Powerful grip across wide range of applications
- High flexibility and comfort.
- Sonic welded back of hand TPR for back of hand protection.
- Contact heat protection up to 100°c

Key Industries

- Aerospace
- Automotive
- Construction
- Metal Fabrication
- Steel
- Utilities

Liner	Graphene fibre
Coating	Nitrile Dual
Coating Coverage	Fully
Packaging	100% Recyclable 6 Pair I Paper Band 72 Case I LDPE Poly Bag
Sizes	6-12

EN Standards

EN388

4X44FP

EN407

X1XXXX
