All about the product ...

Our GN210FR Flame Retardant Bodywarmer is the perfect partner for the other products in the FR family. The fabric is treated to ensure the flame self-extinguishes, providing the wearer with the required protection in welding environments. The fabric is designed to be flexible & comfortable to provide the wearer with ultimate comfort and ease of movement.

Features and benefits

- Thermal insulation
- Twin needle stitching
- 3D Cargo pockets
- Large pockets
- Hi-Vis piping on pockets

Sizes: S – 5XL
