All about the product ...

Our GN1 10FR Flame Retardant Coat is the perfect partner for the other products in the FR family. The fabric is treated to ensure the flame self-extinguishes, providing the wearer with the required protection in welding environments. The fabric is designed to be flexible & comfortable to provide the wearer with ultimate comfort and ease of movement.

Features and benefits

- Two-way heavy duty front zip fastening with hook & loop storm flap
- Elasticated storm cuffs
- Two large side pockets with hook & loop fastening
- Zip out liner

Sizes: S – 4XL
