### All about the product ...

Our GN300FR Flame Retardant Over Trousers is the perfect partner for the other products in the FR family. The fabric is treated to ensure the flame self-extinguishes, providing the wearer with the required protection in welding environments. The fabric is designed to be flexible & comfortable to provide the wearer with ultimate comfort and ease of movement.

### Features and benefits

- Soft, flexible feel
- Elasticated waist
- Draw cord
- Side access pocket to under garment

**Sizes: S – 4XL** Leg Length: Reg (31 inch) and Tall (33 inch)
